

# ENERGY EFFICIENCY PROGRAM FOR BUSINESS

**BONUS OFFER**

## Process Boiler Tune-ups now worth more \$\$

### Both Customers and Trade Allies can receive a bonus for tune-ups

From now until Nov. 30, 2017, the DTE Energy Efficiency Program for Business is offering a special **Boiler Tune-up Bonus** for both customers and contractors on tune-ups performed on **large process boilers**.\*

- Customers who have tune-ups performed on process boilers between 6,000 and 10,000 input MBH will receive the \$1,500 incentive per boiler plus a \$500 bonus per boiler.
  - In addition, the contractor performing the tune-ups will receive a \$500 bonus per boiler.
- Customers who have tune-ups performed on process boilers larger than 10,000 input MBH will receive the \$2,000 incentive per boiler plus a \$1,000 bonus per boiler.
  - In addition, the contractor performing the tune-ups will receive a \$1,000 bonus per boiler.

The contractor bonus will be paid only if an accurate Application and complete documentation are submitted to the Program Office by the Nov. 30, 2017, deadline.

This offer is available to all DTE natural gas business customers. Final Applications must be submitted by **Nov. 30, 2017**. For more information about this offer, contact our office.

\*Tune-ups are eligible for DTE incentives once every 24 months.

**YOU MUST SUBMIT A FINAL APPLICATION BY NOV. 30, 2017**

### How to apply

To receive the **Large Process Boiler Tune-up Bonuses**:

- Download the latest version of our 2017 Program Application and complete the tune-up worksheet on Page 30 (use the addendum for additional data entries).  
**NOTE:** You can include other energy-efficiency measures on the same Application.
- On Page 7, the interactive Application will automatically calculate all tune-up incentives.
- Manually enter "**Large Process Boiler Tune-up Bonus**" at the bottom of the incentive grid (**A**).
- Manually enter the respective Customer bonus only (**B**).

**The contractor bonus will be processed separately. To facilitate payment, the contractor information must be entered on the Application.**

- The Application will automatically add the Customer bonus to the total.
