

AC Quality Care

HVAC Contractors: Get the Quality Advantage

Boost Sales and Expand Your Customer Base

Become a qualified contractor in the AC Quality Care rebate program available for SDG&E® customers.

Contractor Benefits

You gain a competitive edge when you get certified to perform Quality Maintenance services.

More Customers = More Money

Leads are sent to contractors on a daily basis. Each initial maintenance visit is \$300 in your pocket, plus any additional sales

HVAC Training and Mentoring

FREE online HVAC courses (NATE/BPI CE hours); field training and mentoring

Marketing and Sales Support

FREE website, print and media advertising

Year-Round Opportunities

Quality Maintenance can be performed all year long, keeping you busy

Quality as Standard

Quality Maintenance services deliver reliable comfort, manageable costs and longer equipment life – not just a typical tune up. AC Quality Care follows the ANSI/ACCA standard, and shows customers that you value quality work, system reliability and energy efficiency.
