

FACT SHEET

2017 Michigan-Made Incentive Bonus

Install products manufactured/assembled in the state and receive a 10% bonus

DTE Energy's **Michigan-Made** bonus is designed to reward **Project Green Light** customers who use Michigan-made products in their projects — while also helping boost our state's economy.

What's eligible

Project Green Light customers who install **Michigan-Made** products at their locations in 2017, will qualify for a 10% bonus on each eligible prescriptive measure installed. (Custom measures are **not** eligible.)

Many Prescriptive measures are eligible for this offer if they meet the following conditions:

- The purchased product(s) must have been at least 50% manufactured and/or assembled in Michigan (exclusive of packaging and installation).
IMPORTANT NOTE: The installation of a product is **not** considered "assembly."
- An affidavit is provided by the manufacturer of each product installed, attesting to the product/measure meeting the **Michigan-Made** criteria. (A blank affidavit is available for download [here](#).)
- You must attach a completed affidavit to the application. (If the application is filed electronically, the affidavit[s] should be attached to the email submission.)
- You must attach the manufacturer's specification sheet, showing the product and where it is manufactured/assembled. (If the application is filed electronically, the specification sheet[s] should be attached to the email submission.)

How to apply

To receive a **Michigan-Made** bonus in addition to base incentives:

- Download and complete the **Project Green Light version** of the 2017 Program Application by clicking [here](#).
- Download a list of **Michigan-Made** manufacturers [here](#).
- Check the **Michigan-Made** box  for each incentive that meets the requirements.
- The interactive PDF application will calculate the **Michigan-Made** bonus automatically.
- Complete your project and submit your final application by Nov. 30, 2017. (Applications submitted after Nov. 30, 2017, may be cancelled.)
