

Summer contractor bonus

We would like to thank our designated trade allies and contractors for their continued support and participation in the Energy Efficiency Program for Business. In an effort to reward you for your hard work during these challenging times, we are offering a special bonus to trade allies and contractors to help identify energy efficiency projects and apply for incentives on their customer's behalf.

This offer provides a tiered bonus based on the value of all final applications submitted between July 1, 2020 through September 30, 2020. Final applications must be submitted by September 30, 2020.

Bonus structure based on total incentives

\$10,000 - \$19,999

\$20,000 - \$99,999

15% bonus paid to trade ally/contractor

The 2020 summer contractor bonus may be combined with other DTE Energy Efficiency Program for Business bonuses. However, incentives are calculated from the paid base incentive total, which does not include eligible bonuses. Funds are limited and subject to change. This offer may end at any time.
