

Extended 2022 linear LED lighting bonus

20% bonus on all linear fluorescent to LED projects

Invest in energy efficiency now and save even more. For a limited time only, we are extending a special bonus on all linear fluorescent to LED projects. Take advantage of this offer today to lower your upfront investment and reduce your operating costs going forward. This 20% bonus offer is available to all DTE electric customers on all linear fluorescent lighting to LED projects, but only for a limited time.

This offer provides a bonus based on the value of all prescriptive and custom final applications submitted from January 1, 2022 until June 30, 2022. Final applications must be submitted by June 30, 2022. The 2022 Linear LED lighting bonus may not be combined with other DTE Energy Efficiency Program for Business customer bonuses and will be capped at \$50,000. Funds are limited and subject to change. This offer may end at any time. **Only submissions through the Online Application are eligible for this bonus.**

To apply for this bonus, select the measure entry tab within the Online Application. In the search box, type in the word “bonus”, then select the Linear LED Lighting bonus measure. In the measure detail pop-up, add the incentive amount in dollars and continue with your application.
