

Exterior LED lighting bonus

25% bonus on all exterior lighting measures

Invest in energy efficiency now and save even more. For a limited time only, we are offering a special bonus on all exterior lighting measures. Take advantage of this offer today to lower your upfront investment and reduce your operating costs going forward. This 25% bonus offer is available to all DTE electric customers on all exterior lighting measures, but only for a limited time. Eligible measures can be found in the table below. Projects must meet a minimum of 20 fixtures/lamps retrofitted when applicable.

This offer provides a bonus based on the value of all eligible applications submitted from June 1st until November 30th, 2022. Final applications must be submitted by November 30th.

To apply for this bonus, in the online application, go to the Measures Tab. Search for the term “bonus”. Select the Exterior LED Lighting Bonus and in the quantity box put a “1”. The appropriate dollar amount will be updated upon review.

The 2022 Exterior LED Lighting Bonus may be combined with other DTE Energy Efficiency Program for Business bonuses. However, incentives are calculated from the paid base incentive total, which does not include eligible bonuses. Funds are limited and subject to change. This offer may end at any time.
