

## Energy Efficiency Program for Business

# Landlord/tenant payment authorization

As a DTE Energy business customer, you're receiving this form because you have opted to assign your incentive payment directly to a landlord or tenant.

The form must be completed and must be signed by you (the DTE account holder). It must be submitted with your final application – or within 5 business days of application submission. Failure to complete any of these steps may result in the incentive payment being made payable to you, the DTE account holder.

Also, if it is determined that the landlord/tenant is not eligible to receive such a payment, the incentive check will be made payable to you.

To receive payment, the landlord/tenant must submit their W-9 to the DTE program office with this form. For more information about this optional payment process, see our program policies and procedures manual.
