

## **Contractors and DNV Trade Allies get a 20% bonus on projects completed in 2022 that were never applied for!**

Now available for a limited time, get a 20% bonus on any electric project as a new application from January 1<sup>st</sup>, 2022 through December 31<sup>st</sup>, 2022.

To apply, write “Past Project Bounty” in the Notes to Reviewer section of the online application. You must include this at the time of submission or the bonus won’t be applied to your application. This bonus is calculated on the base incentive, before any other bonus is applied to the project. The base incentive is also eligible for the DNV Trade Ally Bonus.
