

Special promotion for steam trap surveys!

\$20 for every steam trap surveyed.

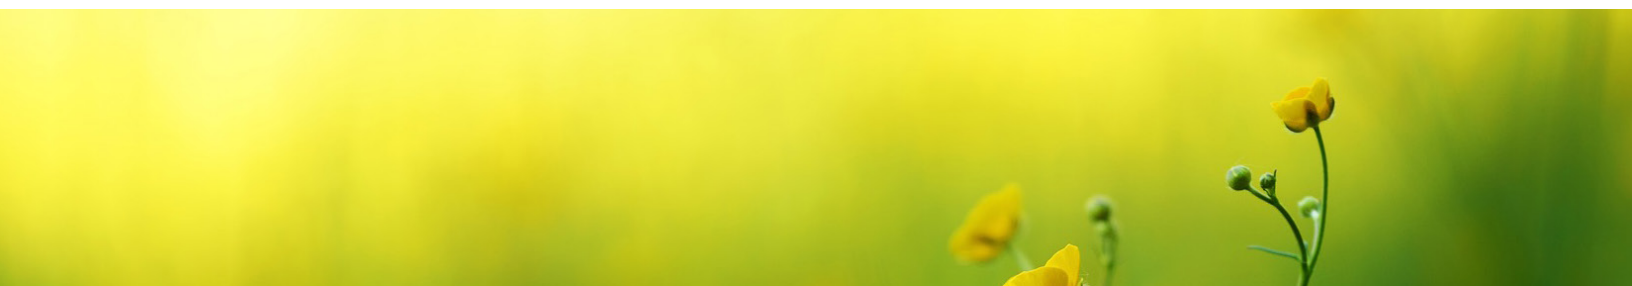

It's that time of year again. Time to survey your steam system to check if you have any failed traps. The heating season is right around the corner, make sure you and your equipment are prepared.

To receive this bonus, a customer must submit the steam trap worksheet. This promotion will run for a limited time from August 1 through November 30, 2019 and has a limit of \$75,000 per customer.

Note: this bonus will not apply towards the customer cap and incentives will not be paid for previously surveyed/failed traps that were not repaired.

Survey incentive worksheet

1. Complete the worksheet by entering the number of steam traps surveyed at the customer site identified on the reverse side.
2. All steam trap survey work must be recorded and the service report attached to this worksheet. Each survey report must contain:
 - Name of Survey Technician
 - Survey Date
 - Number of steam traps surveyed
 - System nominal steam pressure
 - Trap status: working, failed open, failed closed
 - Annual hours of operation
 - Per steam trap: ID tag number, location and type of trap, orifice size

Date

This should be signed only after all work has been performed as described on this worksheet. A customer signature is required for payment. If you are authorizing that incentive payments be made directly to the contractor, you must complete and sign the Third-Party Payment Authorization form on the back. Signed worksheets received by fax or email will be treated the same as forms received by mail. Funds for this are limited; offer ends Nov. 30, 2019.
